

English Teacher

We are looking for a teacher with an English specialism whose subject knowledge, pedagogy and enthusiasm will engage even the most reluctant learner. We are looking for an English specialist to deliver GCSE English to KS4. We would also like this teacher to deliver a more vocational qualification as part of their timetable. We are open to ideas to widen our curriculum based on the having the right person in post to deliver it.

It is vital that the successful candidate is a hard-working teacher who can quickly build positive relationships with young people and adults and who wants to have a transformational impact on the lives of the most disadvantaged young people.

A qualified teacher with experience in alternative provision or mainstream, or an ECT determined to combine professional development with life-changing teaching or An Unqualified Teacher, educated to degree level who would engage in Teacher Training whilst being fully supported within our school.
